

# Modern Girl

Eric Clapton

She's a modern girl, in a modern world  
Where only the strong can survive  
Too many dreams have been laid at her door  
But the modern girl will ride on, oh oh oh Where would you fit in a scheme of her day  
And where could you fit in her heart?  
Trying to be small would get you nowhere at all  
But the modern girl will ride on, oh oh oh Don't throw your love away  
(Hey, hey)  
Don't throw your love away  
(Hey, hey)  
Don't throw your love away  
Don't throw your love away  
(Hey, hey) She moves through your life like a warm summer breeze  
And nothin' will stand in her way  
The sound of her voice brings your heart to its knees  
But the modern girl will ride on, oh oh oh Don't throw your love away  
Don't throw your love away  
(Hey, hey)  
Don't throw your love away  
(Hey, hey)  
Don't throw your love away  
(Hey, hey, hey, hey) Don't throw your love away  
(Hey, hey)  
Don't throw your love away  
(Hey, hey)  
Don't throw your love away  
(Hey, hey)
