

# Mean Old Bed Bug Blues

[Furry Lewis](#)

Mean old bedbug sho' is evil, he don't mean me no good  
Mean old bedbug sho' is evil, he don't mean me no good  
He thinks I'm a woodpecker and he takes me for a chunk o' wood  
When I lay down at night I wonder how can a poor man sleep  
When I lay down at night I wonder how can a poor man sleep  
With one hole in your head while the other one in your feet  
Bedbug's big as a jackass, he will bite you, stand and grin  
Bedbug's big as a jackass, will bite you and stand and grin  
Drink a bowl of bedbug poison, come back and bite you again  
Saw one morn' in a corner, Lord I tried so hard to see  
Saw one morn' in a corner, Lord I tried so hard to see  
It was a mother bedbug Lord, prayin' for some oat to eat  
I had to sit up all night long, my feet can't touch the floor  
I had to sit up all night long, my feet can't touch the floor  
Cause the mean old bedbug told me I can't live there no more
