This Year

Cooper

Can we go right back to the start
I got a little lost
Done living in the past
There's many seasons in our lives
It's been a long winter
Spring's getting nearerRemind me of the good and all the bad (i know, i know)
Remind me of everything that we had (i know, i know)
Right now it's so clear
This year has been the best and the worst year
I hear it's all uphill from here
This year has been the best and the worst year
I hear it's all uphill from hereohh, ohh, ohh, ohh, ohh, ohh, ohh, ohh, ohh, ohh, ohh, ohhI'm listening to the sound advice
You spoke from the heart
Just be who you are
And everything falls into place
The seasons change, but we're the sameRemind me of the good and all the bad (i know, i know)
Remind me of everything that we had (i know, i know)
Right now it's so clear
This year has been the best and the worst year
I hear it's all uphill from here
This year has been the best and the worst year
I hear it's all uphill from hereohh, ohh, ohh, ohh, ohh, ohh, ohh, ohh, ohh, ohh, ohh, ohhI hear...
This year has been the best and the worst year
I hear it's all uphill from hereThis year has been the best and the worst year
I hear it's all uphill from here
This year has been the best and the worst year
I hear it's all uphill from hereohh, ohh, ohh, ohh, ohh, ohh, ohh, ohh, ohh, ohh, ohh, ohh
