Destination unknown

I left my job, my boss, my car and my home  
I'm leaving for a destination I still don't know  
Somewhere nobody must have duties at home  
And if you like this, you can follow me

So let's go

Follow me

And let's go

To the place where we belong  
And leave our troubles at home

Come with me

We can go

To a paradise of love and joy

A destination unknown

Destination unknown

Now I won't feel those heavy shoulders no more

My life got better now I finally enjoy  
Yes all the people wanna come here and so  
Come on and join us you can do that now

Let's go

Follow me

And let's go

To the place where we belong  
And leave our troubles at home

Come with me

We can go

To a paradise of love and joy

A destination unknown

Destination unknown

We left the city, the pollution, the crowd  
The air is clear, the ocean's blue, I love that sound  
We're happy for this destination we found  
And if you want this, you can follow me

Let's go

Follow me

And let's go

To the place where we belong  
And leave our troubles at home

Come with me  
We can go  
To a paradise of love and joy  
A destination unknown  
Destination unknown
