Wherever I Lay My Hat

Taylor Hicks

By the look in your eyes
I can tell you're gonna cry, is it over me?
If it is save your tears
For I'm not worth it, you see
For I'm the type of boy who's
Always on the roll
Wherever I lay my hat
That's my home, that's my home
You had romance
Did you break it by chance over me?
If it's so I'd like for you to know
That I'm not worth it, you see
For I'm the type of boy who is
Always on the roll
Wherever I lay my hat
That's my home, I'm telling you that's my home
Oh, you keep telling me
You keep telling me I'm your man
What do I have to do
To make you understand?
For I'm the type of guy who gives a girl the eye
Everyone knows
But I love them and leave them, break their hearts and deceive them
Everywhere I go
Don't you know that I'm the type of man
Who is always on the roll?
Wherever I lay my hat
That's my home, yeah
Wherever I lay my hat
That's my home
I'm telling you that's my home
That's my home
Yeah, I'm telling you that's my home
That's my home
Oh, no, telling you baby, that's my home
Ooh, yeah, that's my home
