Faith

Lil Romeo

CHORUS:
when times get hard
i put my head to the sky,
get on my knees
and take a deep cye
never ask why
just believe in my faith
and hill will lead me through
each day
(2x)
commonmy face solid and
strong as a rock
my belief in the lord
as strong as otch
he keeps my head up right
so i gotta give praise
keep me off the streets
and guide me through
this crazy maze
and i never doubt him
but without him i wouldn't
be much
always stay humble
and cool i don't need much
before i close my eyes
i always let him know
i'm thankful for everyday i learn
and to let me grow
and situations i could of taken
and bad turn
he sprayed me away from
getting a bad burn
so father thanks for the many
blessings
so father i see you when i
get to heaven
and i know the world ain't no
good
and i do know

your word is all good
so i'll keep my hands up
to the sky
and i'll keep the man
in my heart and my soul and
my mindCHORUS:
