Acid Bath

Suicide Commando

let me touch you
make you what i need
cut your entrails
out take all i need
let me rape you
satisfy my greed
get inside your head
take all i need
i take you
i take all of you
i consume you
make you complete
i just take you
get inside of you
your weaknessis your defeat
now i touch you
wherever i want
you just can't resist
my acid bath
your will belongs to me
i'm your god
now i take control
give me your soul
i take you
i take all of you
i consume you
make you complete
i just take you
get inside of you
your weakness
is your defeat
