For Those Who Dare

Disbelief

FOR THOSE WHO DARE
they're sowing the hope
resist our worldresist our world
resist our world
resist our worldit seems it's a fact
reality's out of regret
the people who bleed
have a difficult life
we don't care for their needsFOR THOSE WHO DARE
they're sowing the hope
resist our worldresist our world
resist our world
resist our worldhow will it go on
we discouraged them all
mankind is so sick
depends on ideals
ignores those who preachFOR THOSE WHO DARE
they're sowing the hope
resist our world
resist our world
resist our world
resist our world - RESIST!FOR THOSE WHO DARE
they're sowing the hope
resist our world
FOR THOSE WHO DARE
they're sowing the hope
resist our world
resist our world, resist our world
resist our world, resist our world
