Tomorrow

Poco

Tomorrow always brings
Rain, drummin' on my window pane
As the skies unleash their tears
And darkened clouds release their fears
Washin' clean the festering earth
It foretells of a renaissanceAnd in the thrill of its rebirth
Flowers wait to greet the dawn
Childish in their innocence
Laughin' out tomorrow goneTomorrow always brings
Rain ah, but soon the sun
Will shine again
Lookin' on while you and I, walk along
Wonderin' why knowin' you're lovin' me
Foretells a renaissance
