

Jack Jeckel

Insane Clown Posse

Boom shaka, boom shaka, boom boom

Boom shaka, boom shaka, boom boom

Ladies and gentelmanMajor greeting

You're keeper of wickedry

The path to Shangrila

Is missled by he

Missled by you

He is of your negativity

He is of your hate

Meet the other half of the jugglin' duo

That is your soul

The amazing Jack Jeckel, JeckelJack throw another Jake catch one more

They'll try and catch all that's in store for you

How many souls will fall from the sky?

(For you)

How many souls burned wonderin' why?Jack throw another Jake catch one more

They'll try and catch all that's in store for you

How many souls will fall from the sky?

(For you)

How many souls burned wonderin' why?Jack throw another Jake catch one more

(How many more? How many more? How many more? How many more?)

They'll try and catch all that's in store for you

How many souls will fall from the sky?

(For you)

How many souls burned wonderin' why?Jack throw another Jake catch one more

(How many more? How many more? How many more? How many more?)

They'll try and catch all that's in store for you

How many souls will fall from the sky?

(For you)

How many souls burned wonderin' why?
