

Jam for the Ladies

Moby

(with mc lyte and angie stone)

One things for sure

Well we got soul

It's a jam for the ladies and the superstars

I could leave the whole set but never go too far

If you're from where-ever to where-ever you are

Get yer jam, get it on

Superstar

Jam on

If you're from where-ever to where-ever you are

(MC Lyte, would you put it right)

Everybody moves

I paid my dues

You pick and choose

I stick and move

Yes yes y'all

It ain't gonna stop

The ladies

Keep rippin' the spot

Now men what you heard

'Cause women are comin' up

Keepin' it raw

Sexy and rough

Fly from the top

To the bottom it's gonna be

Cut 'em, gut 'em, we got 'em

It's like the old leagues

It's a jam for the ladies and the superstars

I could leave the whole set but never go too far

(Do it superstar)

(Jam on, jam on)

If you're from where-ever to where-ever you are

(MC Lyte, do it right)

You know I can't stand to be held back (it's so fly)

And all the ladies y'all got my back yeah

Even when we're solo in action

We come together like six sets of jacksons

For the ladies and a superstar

Lyte leave the set but never go too far

I toured the world but i'm rollin' it now
Don't want my girl to brag, eve was holdin' it down
Jam for the ladies, we putting it down
Snatchin' the crown 'cause we fend for high ground
It's a jam for the ladies and the superstars
I could leave the whole set but never go too far
(Jam for the ladies)
(Do it superstar)
