

# Forever & Always - Piano Version

Taylor Swift

Once upon a time  
I believe it was a Tuesday when I caught your eye  
We caught onto something  
I hold on to the night  
You looked me in the eye and told me you loved me Were you just kidding?  
'Cause it seems to me  
This thing is breaking down, we almost never speak  
I don't feel welcome anymore  
Baby, what happened? Please tell me  
'Cause one second it was perfect  
Now you're halfway out the door  
And I stare at the phone, he still hasn't called  
And then you feel so low, you can't feel nothing at all  
And you flashback to when he said forever & always  
Oh, and it rains in your bedroom, everything is wrong  
It rains when you're here and it rains when you're gone  
'Cause I was there when you said forever & always Was I out of line?  
Did I say something way too honest?  
Made you run & hide  
Like a scared little boy  
I looked into your eyes  
Thought I knew you for a minute  
Now I'm not so sure So here's to everything coming down to nothing  
Here's to silence that cuts me to the core  
Where is this going?  
Thought I knew for a minute but I don't anymore  
And I stare at the phone, he still hasn't called  
And then you feel so low, you can't feel nothing at all  
And you flashback to when he said forever & always  
Oh, and it rains in your bedroom, everything is wrong  
It rains when you're here and it rains when you're gone  
'Cause I was there when you said forever & always You didn't mean it, baby  
I don't think so  
Ohhh Oh, back up, baby, back up  
Did you forget everything?  
Back up, baby, back up  
Did you forget everything? 'Cause it rains in your bedroom, everything is wrong  
It rains when you're here and it rains when you're gone  
'Cause I was there when you said forever & always Oh, I stare at the phone, he still hasn't called

And then you feel so low, you can't feel nothing at all  
And you flashback to when we said forever & always And it rains in your bedroom, everything is wrong  
It rains when you're here and it rains when you're gone  
'Cause I was there when you said forever & always You didn't mean it, baby  
You said forever & always, yeah
