

Satchel Mouth Baby

Catherine Russell

Satchel Mouth Baby
We could have a lot of fun
Yes, a lot of fun
Because you are, you are the cutest one
You're so neat, sweet
Walking down the street
The chicks all holler
You are the cutest one
You're so Heavenly
What a break for me
Honey can't you see
I'm in love, love, love
Satchel Mouth Baby
We could have a lot of fun
Yes, a lot of fun
Because you are, you are the cutest one
(second time) the fellas all holler
you are the cutest one
