Bluffin'

Khalid

Taking off, turn off the lights
We're so in denial of breaking up
We make it upEvery time I look in your eyes
I'm back in loveI've waited all my life
For someone like you
But I'm losing sight
Of your point of view
Are we broken?
Lost in emotion
Are you all in?
Are you bluffing?
Is this the last fight?
Lay here one last night
I know we're both tired
That's our excuse
Are you all in?
Are you bluffing?It's no one's fault
That's what they say
You want it your way
You know it all
We said its no one's fault
Losing our minds
Lie after lie, fake love
We had a hell of a ride
Issues aside, both of usAre we broken?
Lost in emotion
(Lost in the moment)
Are you all in?
Are you bluffing?
Is this the last fight?
Lay here one last night
I know we're both tired
That's our excuse
Are you all in?
Are you bluffing?Are you, mmm, oh
Are you, oh
