# This Is What You Are

## Mario Biondi

Take me up and let me down
Hold me when I'm sad
Take my eyes to look around
Take my ears to listen to the stars
This is what u are
Knock me down Knock me out
Make me feel shy
But when you hold me in your arms
I can just forget the tears I've cried
This is what u are
Write your number on my wall
It's all u gotta do
Carve your shadow on my soul even when you break my heart in two
This is what u are
lala
This is what u are

sha la la

Take me up and let me down
Hold me when I'm sad
Take my eyes to look around
Take my ears to listen to the stars
This is what u are
Knock me down knock me out
Make me feel shy
But when you hold me in your arms
I can just forget the tears I've cried
This is what u are
say ah ah
This is what u are
lala
This is what u are
