

Open Letter to You

Kerry Louise Taylor

Can we Put the pain aside for a second
Can we put the pain aside for a minuite can we put the pain aside for a second
Cos this pain aint nice no guessing

Can we
Put the pain aside for a second
Cos this pain aint nice no guessing
Can we
Put the pain aside for a second
Cos this pain aint nice no messing .

(chorus) sense of healing in the Air
Im where
I need To be
I can feel you everywhere
And i know its the way your guiding me
You Lifted me up in times of need
Feel like im free
To fly away .
If your alone you know just what it feels like To be alone
If your alone
You know just what it feels to walk them roads
I cant take no more
I cant take no more

Yeah , Its for the Children of Tomorrow wipe your pain and your sorrow so many heads them hollow
We need a better tomorrow
So dont go and follow the crowds
Have your own mind stand tall stand proud . .
Its yours for the Taking
I roll with the pures i aint making fun out of your lifes
Push the banter aside
Gods Child
Its all we hear Tonight Listen

Repeat Chorus
