

Rob The Bank

Placebo

Rob the bank of England and America
Rob the bank of the entire Eurozone
Rob the bank of Mexico and Canada
Rob the bank, then take me home
But take me home
Make love, make love, make love, make love Rob the bank, make a joke out of dyslexia
Rob the bank, then pick your nose
Rob the bank, paint a picture of a swastika
Rob the bank, then take me home
But take me home
Make love, make love, make love, make love
And if ever I suspect the lin
In your hand or somewhere else
That you are faking
Maybe you don't think of me at all
And if ever you conspire to woe another
I will not be forsaken
Beware of where and how we know its fury
Fallen scorn, scorn! Rob the bank in Luxembourg and Monaco
Rob the bank in Lichtenstein and Rome
Rob the bank, hit the biggest bolt in Moscow
Rob the bank, then take me home
But take me home
Make love, make love, make love, make love
Make love, make love, make love, make love
