

# Why You Wanna (Benztown Remix)

T.I.

T.I.P Pimpin'

Ay shawty why u wanna act like that?

I'm sayin', I'm just tryin' be nice to yaGo and tell a nigga no wit an ass so fat

Hey why u wanna go and do that love huh?

Hey why u wanna go and do that do dat

Hey why u wanna go and do dat dat datAnd the relationship been faithful to a nigga so wack

Hey why u wanna go and do that love huh

Hey why u wanna go and do that do dat

Hey why u wanna go and do dat dat datCan't help but notice how ya glowin' I can see in ya face

Now I just wonder if he know he close to bein' replaced

Swear I treat u like a queen u put me in his place

So you could give back his ring and the key to his placeTell the nigga one thing that u need ya space

Tell the niggas one thing u don't need to chase

I wanna kiss u everywhere between ya knees and waist

Hear the sounds that u make and get ya knees to shakeHolla at me in the A you feel u need to escape

Got a mansion and a gate, you wit me and you safe

There's a phantom and a truck wit 23's to skate

600 g's in the safe how much cheese it takeThis a chance u need to take it ain't no need to wait

Say the word we can leave today it's somethin' special and it feel like fate

Hate to make a mistake

How the same thing makin' ya sad makin' ya stayCan he touch it like that and make it feel like this

How he left and came back and it's still like this

Do he hit it from the back and make u feel it in ya chest

Take advantage of what you concealin' in ya dressWhat he think he too fresh to show u that u the best

Compliment u on ya intellect and treat u wit respect

Make u sex till u sweat tongue kissin' on ya neck

It's been a while since u got it like this I betAnd I can tell you ain't just another bitch I met

Ain't nobody got me open like this not yet

Know u confused ain't decided which way you should go yet

So how u keep sayin' no when ya panties so wet?Ay

This nigga playin' mind games man

I think the time came that ya mind changed ya understand?

Life is like a chess move u need to make the next move ya best move

Keep it pimpin' ya understand?

Hey

I mean you know I'm sayin' I showed u how I feel you know what I'm sayin'

I put myself all the way out there you know

Ball in your court man but I jus got one question for u

Is you happy?
