

Your Love

Brandon Heath

I felt it first when i was younger a strange connection to the light
I try to satisfy the hunger I never got it right, I
never got it right
So I climbed a mountain and built an altar
Looked out as far as I could see
And everyday I'm
getting older I'm running out of dreams, I'm running out of dreams
But your love, your love the only thing that
matters is your love, your love
Is all I have to give your love is enough to light up the darkness
Its your love all
ever needed is your love
You know the effort I have given
And you know exactly what it cost
And though my
innocence was taken not everything is lost, not everything is lost, no
But Your love, your love the only thing that
matters is your love, your love is all I have to give your love is enough to light up the darkness
its your love
your love all I ever needed is your love
You're the hope in the morning You're the light when the night is falling
You're the song when my heart is singing Its your love
You're the eyes to the blind man
You're the feet for the
lame man walking
You're the sound of the people singing its your love (your love, your love)
But your love,
your love the only thing that matters is your love, your love is all i have to give your love is enough to light up
the darkness It's your love, your love all i ever needed is your love
All I ever needed is your love, your love
All I
never needed is your love
Its all I ever needed
