

Your Biggest Fan

Jonas Brothers

I never thought I would, did it
Never thought I could get it like that, get it like this
Get it like everybody knows
That we got something real, shorty I know what I feel
So shout it like that, shout it like this
Listen up, everybody knows but you
So here it goes 'Cause I never really noticed, took a while for me to see
Playing back the moments, now I'm starting to believe
That you could be at the show and know everyone
But it's you who makes me sing I may not know where we are, but I know who I am
Baby, I'm your biggest fan, oh Every time you smile for me
Takes me a while to bring myself back
'Cause you're all that
And I just had to let you know That I'm screaming out in the crowd for you
I can't be too loud
'Cause I don't care, I let 'em all stare
I just want everyone to know the truth, it's only you I never really noticed, it took a while for me to see
I'm playing back the moments, and I'm starting to believe
That you could be at the show and know everyone
But it's you who makes me sing I may not know where we are, but I know who I am
Baby, I'm your biggest fan You showed up and you looked so classy
Made me think twice 'bout the way I was acting
You were there from the start of it all
Like a dream came to life, now I'm left in awe Stars shine, but your light is the brightest
And love flies, but your love is the highest
You're so sweet that it drives me crazy
A summer like no other, you're my L.A. baby I never really noticed, took a while for me to see
Playing back the moments, and I'm starting to believe
That you could be at the show and know everyone
But it's you who makes me sing I may not know where we are, but I know who I am
Baby, I'm your biggest fan, oh
Baby, I'm your biggest fan, oh Because you could be at the show and know everyone
But it's you who makes me sing
I may not know where we are, but I know who I am
Baby, I'm your biggest fan
