Alter Ego

Clique Girlz

I can hear
A little voice inside my head
Telling Me
That i should do what she saysLooking over my shoulder
she trying to tell me things
Always misleading me
Nobody can seeI can be good she can be bad
We can be this and that
She's my Alter Ego-oh-oh
When i want to be weak
she can be strong
Im only the one
She's my Alter Ego-oh-ohI can tell
When she's about to pull me in
she has no fear
But then she doesnt always winLooking into the mirror
She tryin to have fun with me
Sometimes i take myself way to seriouslyI can be good she can be bad
We can be this and that
She's my Alter Ego-oh-oh
When i want to be weak
she can be strong
Im only the one
She's my Alter Ego-oh-ohIt's like she sometimes my best friend
Then my enemy again
she is no-where but she's always there
YeahOhhh yeahOh oh oh oohYeaahI can hear a little voice inside my head
Telling me i should have done what she saidYeaahI can be good
she can Bad
We can be this and that
She's my Alter Ego-oh-oh
When i'm little miss perfect
She misbeahaving
i take the blame
She's my Alter Ego-oh-ohI can be good she can be bad
We can be this and that
She's my Alter Ego-oh-oh
When i want to be weak
she can be strong

Im only the one
She's my Alter Ego-oh-ohI Can Be good
She can be bad
We can be this and that
Oh Oh
Yeah
She's my Alter Ego-oh-oh
