

I Will Take You Home

Grateful Dead

Little girl lost in a forest of dreams
It's a dark old wood and it's damp with dew
Hoot owl hoots for a moment it seems
Something big and cold has got a hold of you
Just when everything gets scary
Daddy's come 'round for his darlin' again
Hold my hand with your little fingers
Daddy's loving arms are gonna gather you in
Ain't no way the bogeyman's can get you
You can close your eyes, the world is gonna let you
Your daddy's here and never will forget you
I will take you home, I will take you home
Gonna carry you back home in my arms
I will take you home
Long is the road we must travel on down
Short are the legs that will struggle behind
I wish I knew for sure just where we're bound
What we will be doin' and what we're gonna find
Wherever we go, there will be birds to cheer you
Flowers to color in the fields around
Wherever we go, I'll be right here near you
You can't get lost when you're always found
Ain't no fog that's thick enough to hide you
Your daddy's gonna be right here beside you
If your fears should start to get inside you
I will take you home, I will take you home
Gonna carry you back home in my arms
I will take you home
