Slum Village

You look and stare, I see you took it there
Wassup witchu? Hey, wassup witchu?
What you gon do? You want me, dont you?
I know you do, yeah, I want you tooYou wanna do me, I know its me
Yeah, I know its me, I hope its me
See, when you noticed me, I noticed you
Shoo, you say, "Whattup?", "Whattup witchu?"The things you do and who you do it to
What would you do, Im seein you
I know its good for you, its just for youIts just for you, its just for you
Its just for you, its just for you
Its just for you, its just for youDont need a chick, to be my chick
If you gon be my chick, then be my chick
Dont talk no ***, who you wit?
Are you wit him? Then pack your ***I guess its meant for us to split
It must be meant for us to split
Ill be the man to understand
Ill understand, Ill be the manSee, what you do, its up to you
Its up to you, what you do
Its up to you, its up to you
Its up to you, its up to you
Its up to you, its up to you
Its up to youSmile in my face to show me they nice
But behind my back, yo, you be bringing the wack stuff
When you say, I say love
You be on my diznick, do that dance trickNah, everything you do, you fall back
Girl, you lack 'cuz you be bringing the wack stuff
The *** *** running his mouth
I aint saying nothing, troop, you makin' up
But you want my, mmm, and you want my mmm
And you want my, mmmI want your clit in a special way
In a special way, a special way, a special way, a special way
A special way, a special way, a special way, a special way
A special way, a special way, a special waySay, come on, say, come on
Come on, if you feel this, well, we put it down
Come on, if you feel this, well, we put it down, well, we put it down
Come on, if you feel this, well, we put it down
Come on, if you feel this, well, we put it down, well, we put it downCome on, if you feel this shit, then we put it down
Come on, if you feel this, well, we put it down, well, we put it down

Come on, if you feel this, well, we put it down
Come on, if you feel this, well, we put it down, well, we put it down
We put the shit down, well, we put it down, we put the shit down
