

# Salvation Song

## Parachute Band

Jesus I come to You  
In my heart I bow my knee  
Jesus, please take my heart  
In it make Your home in me I believe, Jesus You are God  
And You died for me  
I believe, Lord You rose again  
From my sin You set me free to live again I turn away from my sin Lord  
And turn to You, to You  
I know that You're saving me Lord I turn away from my sin Lord  
And turn to You, to You  
I thank You for saving me Lord Lord, have Your way in me  
By Your spirit draw me near  
I have the faith to see  
Jesus, You can save me here I believe, Jesus You are God  
And You died for me  
I believe, Lord You rose again  
From my sin You set me free to live again I turn away from my sin Lord  
And turn to You, to You  
I know that You're saving me Lord I turn away from my sin Lord  
And turn to You, to You  
I thank You for saving me Lord I turn away from my sin Lord  
And turn to You, to You  
I know that You're saving me Lord I turn away from my sin Lord  
And turn to You, to You  
I thank You for saving me Lord Surely Your mercy has saved me, delivered me  
You gave Your life, now I'm Yours evermore take me I turn away from my sin Lord  
And turn to You, to You  
I know that You're saving me Lord I turn away from my sin Lord  
And turn to You, to You  
I thank You for saving me Lord I turn away from my sin Lord  
And turn to You, to You  
I know that You're saving me Lord I turn away from my sin Lord  
And turn to You, to You  
I thank You for saving me Lord  
Saving me Lord, saving me Lord
