Beautiful

L.A. Guns

Look around me, you astound me
You are oh so beautiful, oh yeah I am home
Been away far to long, thought of you with every song
Every song I sang I sang for you.
It's gonna take a little time
Gonna take a little concentration
I think that time has come to state
When I said I couldn't get enough of that situation
Well I recognize, I don't want to stay away
Oh so beautiful, oh so beautiful
Oh so beautiful, oh so beautiful
And through this crazy ride
You've been there deep inside
Deep inside I know I'm not alone
And now it's all so clear,
my doubts just disappear
When I'm with you I call it homeAll my life
I've been waiting
And I think its right
Don't go away.
Oh so beautiful, oh so beautiful
Oh so beautiful, oh so beautiful
I've been around this great big world
Must have loved a million girls
When I'm with you, I call it home
