Sweetness (Feat. D-Shells)

Bobby Valentino

Yeah Girl I see you over there looking like sexy
I'm tryin' to get next to you, you know what Im saying
Fine little thing yeahLet me turn you over, Let me make you holla
Baby I can make you scream my name
I know what you like and I know that you want it
Baby I know I can make you cream
I know I can get it and you know that youre with it
Baby won't you let me state my case
You know I'm not trippin, I know you're not trippin
Baby if you wanna play, let's playYour sweetness is my weakness,
Every time I lick off my fingers baby
Your incense is present,
Even when you walk away from me it stays
Your sweetness, (ooooo), that sweetness,
Can't deny it when I do it my way (My way baby)
Your sweetness, (ooooo), that sweetness,
Every time you walk away from me it staysYou know I'm not on it, youre my tenderoni
I can sex your body up all day
Tell me you know I'm not nasty, but I can do it nasty
I can lick you up a thousand ways
Girl I got the potion, your body is an ocean
Let me show you how the water makes waves
You know I'm not trippin, I know you're not trippin
Baby if you wanna play, let's playYour sweetness is my weakness,
Every time I lick off my fingers baby (Girl its on tonight baby)
Your incense is present,
Even when you walk away from me it stays
Your sweetness, (ooooo), that sweetness,
Can't deny it when I do it my way
Your sweetness, (oooo baby), that sweetness,
Every time you walk away from me it staysYour body is saying yes, your body is saying yes Girl
We can do it now, we can do it right now
Time is on our Side, we can do it right now (All night)
All Night, get it on, cause your body's looking good to meYour sweetness is my weakness,
Every time I lick off my fingers baby (It's on tonight baby)
Your incense is present,
Even when you walk away from me it stays
Your sweetness, (ooooo), that sweetness,
Can't deny it when I do it my way

Your sweetness, (oooo Baby), that sweetness,
Every time you walk away from me it staysYour Sweetness, Your Sweetness, Your Sweetness,
It's my Weakness, It's my Weakness Baby
Ooooh Your Sweetness
