

Anytime, Anywhere

Seth MacFarlane

You could leave tomorrow
Fly to Mandalay
Darling I would love you anyway
I just couldn't help but care
Anytime, anywhere You can keep me waiting every single day
I'll be there to meet you anyway
You make life a love affair
Anytime, anywhere Why should I lie and pretend I don't belong to you
Why even try when it makes no difference what you do
I'll be true Take my heart completely
Treat me as you may
I am yours forever anyway
All I have is yours to share
Anytime, anyplace, anywhere. Take my heart completely
Treat me as you may
I am yours forever anyway
All I have is yours to share
Anytime, anyplace, anywhere.
