Get over Yourself

Kelsea Ballerini

You saw me drive by your place last Friday
But don't make too much of it, it's just on my way home
I didn't see the picture that you posted in this bar
And when I pulled into the parking lot, I didn't see your carYou can tell your friends it's all on purpose
That I'm the crazy ex that wrecks your life
But there's no intentions underneath the surface
So don't go reading anything between the lines'Cause I'm over you and everything that we used to do together
My Saturday nights are brighter, I've never felt better
I didn't miss a beat when I heard you were seeing somebody else
And I'm over you thinking that every move that I'm making
Is just a game that I'm playing because my heart is still breaking
Boy, I'm over you, I'm over you
So get over yourself, yeah
So get over yourself
You think all I do is talk about us
And that the new boy I show off is only out of spite
You're so in your head about it, you can't get your heart around it
But boy, I'm over you, I'm over youI'm over you and everything that we used to do together
My Saturday nights are brighter, I've never felt better
I didn't miss a beat when I heard you were seeing somebody else
And I'm over you thinking that every move that I'm making
Is just a game that I'm playing because my heart is still breaking
Boy, I'm over you, I'm over you
So get over yourselfGuess what else?
Took all your pictures down off of my shelf
And I don't care enough to hate you so I even wish you well, boy
So you can tell your friends I do it all on purpose, yeah
That I'm the crazy ex that wrecks your life
But I'm over you and everything that we used to do together
My Saturday nights are brighter, I've never felt better
I didn't miss a beat when I heard you were seeing somebody else
And I'm over you thinking that every move that I'm making
Is just a game that I'm playing because my heart is still breaking
Boy, I'm over you, I'm over you
So get over yourself, yeah
So get over yourself
'Cause I'm over you
So get over yourself
