

# Nowhere Left to Go

## Bottom Feeders

Ok well you know I never meant to let you down  
Ok, well I'm always at my charming best whenever you're around  
Maybe, well I'm lookin for a place I have no right to find  
Maybe, well this thing I feel will fade away with the passing of time

Did you let me in, well I don't know now  
Did I commit the sin, I pray I did not  
Stand behind my pride, cause there's nowhere left to go  
Swear I never lied, no.....

Never once thought about the price I could pay  
It's easier than handlin the light of the day  
Ask me to explain and I got nothin to say  
Ignorance and cowardess I hide myself away, yeah

Did you let me in, well I don't know now  
Stand behind my pride, cause there's nowhere left to go

---
