

# I Wanna Be Your Man

Charlie Wilson

Hey lady  
(Hey lady)  
Let me tell you why  
(Gonna tell you why)

I can't live my life (oh)  
Without you (without you)  
Baby

Every time I see you walking by I get a thrill  
You don't notice me but in time you will  
I must make you understand

I wanna be your man  
I wanna be your man  
I wanna be your man  
Yes I do  
I wanna be your man  
I wanna be your man  
I wanna be your man  
Gonna be your man

Better not pass me by  
'Cause if you do  
You lose a good thing

Cause what I got to say  
It's sealed with a kiss  
And a wedding ring (wedding ring)

My mind it's blind at times I can't see anyone but you  
Those other girls don't matter cause they can't spoil my view  
I must make you understand

I wanna be your man  
I wanna be your man  
I wanna be your man  
Yes I do yeah yeah  
I wanna be your man  
I wanna be your man

I wanna be  
I wanna be your man  
I wanna be  
I wanna be your man  
I wanna be your man

Words can never say what I feel  
Cause it's too intense, oh  
I tried I tried I tried I tried to tell you how I feel  
But I get mixed up yea,

My mind is blind at times I can't see anyone but you  
Those other guys don't matter cause they can't spoil my view  
I must make you understand

I wanna be your man  
I wanna be your man  
I wanna be your man  
Yes I do  
I wanna be your man  
I wanna be your man  
Your man

I wanna be  
I wanna be your man  
I wanna be  
I wanna be your man  
I wanna be  
I wanna be your man  
I wanna be  
I wanna be your man  
I wanna be  
I wanna be your man  
I wanna be  
I wanna be your man
