

I Don't Want The Night To End

Bette Midler

And I don't want
I, I don't want
I don't want the night to end
Oh, daddy, daddy
Oh, daddy, daddy
Wastin' half my life on platforms underground
The other half I'm spending as a desperate clown
My problem now is that
You're nowhere to be found
In dark delicious dreams
Of you I'll drown
Oh, daddy, oh, daddy
Ooh, oh, daddy, oh, daddy
I don't want the night to end
Oh, baby, baby
Oh, my sweet baby
Wrapped around your soul is where I want to be
But in the night blue music all my eyes can see
Junkies in the rain
Down on their knees
Tell me, what's to become
Of you and me?
I don't, don't let it be, don't let it be over
No, no, don't let it be, don't let it be
I, I, I don't want the night to end
I don't want the night to end
I-I-I-I-I-I-I, I don't want the night to end
Say it again, now
I-I-I-I-I, I don't want, don't want the night to end
Don't let it be, don't let it be
Don't let it be over
No, no, no, no, no, no, no
I don't want it to be over
Baby, I'm a soul to lend
I'm all, all alone
I don't want the night to end
Oh, mommy, mommy, I am falling
