Absence Of Fear

War Of Ages

Inside my skin

There is this space...

It twists and turns

It bleeds and aches

Inside my heart

There's an empty room.

It's waiting for lightning;

It's waiting for you

I am wanting and...

I am needing you here

Inside the absence of fear

Muscles and sinew

Velvet and stone...

This vessel is haunted

It creaks and moans

My bones call to you

In their separate skin.

I make myself translucent

To let you in, for..

I am wanting, and...

I am needing you here

Inside the absence of fear

There is this hunger

This restlessness inside of me

And it knows that you're no stranger,

You're my gravity

My hands will adore you

Through all darkness, and aim

Lay you out in moonlight

And reinvent your name

For I am wanting, and...

I am needing you

To be here...

I need you near...

Inside the absence of fear.
