

Where I End and You Begin. (The Sky Is Falling In.

Radiohead

There's a gap in between
There's a gap where we meet
Where I end and you begin

And I'm sorry for us
The dinosaurs roam the earth
The sky turns green
Where I end and you begin
(4, 5, 6, 7)

I am up in the clouds
I am up in the clouds
And I can't, and I can't come down

I can watch and not take part
Where I end and where you start
Where you, you left me alone
You left me alone

X will mark the place
Like the parting of the waves
Like a house falling in the sea
In the sea

I will eat you alive
I will eat you alive
I will eat you alive
I will eat you alive

And there'll be no more lies
There'll be no more lies
There'll be no more lies
There'll be no more lies

I will eat you alive
I will eat you alive
I will eat you alive
I will eat you alive

And there'll be no more lies

There'll be no more lies
There'll be no more lies
There'll be no more lies

I will eat you alive
I will eat you alive
I will eat you alive
I will eat you alive

And there'll be no more lies
There'll be no more lies
There'll be no more lies
There'll be no more lies

I will eat you alive
I will eat you alive
I will eat you alive
