

# Squash Squash (ft. BEA1991)

## Blood Orange

You chose to fade away with him  
I chose to try and let you in  
You chose to fade away with him  
I chose to try and let you in Making life just feel fine  
Dreaming of a life of staying in You chose to fade away with him  
I chose to try and let you in  
You chose to fade away with him  
I chose to try and let you in Begging, begging for your everything  
But everything is something  
Something that is true  
Begging, begging for your everything  
But everything is something  
Something that is true, true You chose to fade away with him  
I chose to try and let you in  
You chose to fade away with him  
I chose to try and let you in Silence on my estate
