Purple Haze

Kokoo

Let me see you wide open
Let me see you wide open
Let me see you wide open
Let me see you wide open
Let me see you wide open
Iron my shotties
Let me see you wide open
Let me see you wide open
Let me see you wide
Let me see you wide
Let me see you jump
Dance!
On your mark get set girl
Me wanna see you wide open.
Me wanna see you wide open.
Turtle! (echos)
Let me see you wide open,
Ready for party.
When I put you wide open,
Iron my shottie.
Let me see you wide open,
Ready for starting.
Let me see you wide open,
Booty wide open.
My recipe is Jack Daniels,
non-filtered Camels,
crates full of samples,
dutches and examples,
one Nike in the grave,
one Nike in the rave,
It all makes sense after the 'shrooms and the purple haze.
It all makes sense after the 'shrooms and the purple haze.
It all makes sense after the 'shrooms and the purple haze.
Man check this out.
Ya muggin all silly, point in her face.
Old school puffin a philly.

Nothin to chase, Nothin to lose.
Solid ground stuck to my suit.

You can cut your split ends, you cant cut your roots.
Come on !
My recipe is Jack Daniels,
non-filtered Camels,
crates full of samples,
dutches and examples,
one Nike in the grave,
one Nike in the rave,
It all makes sense after the 'shrooms and the purple haze.
It all makes sense after the 'shrooms and the purple haze.
It all makes sense after the 'shrooms and the purple haze.
Let me see you wide open
Let me see you wide open
Let me see you wide open
Let me see you wide open
Eh-he-he-he
Me wanna see you wide open
Me wanna see you wide open
Me wanna see you wide open
Me wanna see you wide open
It all makes sense after the 'shrooms and the purple haze.
Turtle !
Me wanna see you wide open
Me wanna see you wide open
Me wanna see you wide open
Me wanna see you wide open
Me wanna see you wide open
Me wanna see you wide open
Me wanna see you wide open
Me wanna see you wide open
