

# Oliver's Lullaby

**Bryan Lanning**

When the day has lost its way  
And darkness falls around  
I will burn a candle bright  
I will lead the way  
To distant land  
Singing hand in hand  
Till the light will call us  
A new day has begun  
Turn your thought to happy days  
Sweet dreams will come your way  
I will sing a song for you  
You can sing it too  
Beautiful and strong  
I'll sing it all night long  
Till your dreams are over  
A new day has begun
