We got a love situation, (ohhhh ahhh)
You say you love me, (ohhhh ahhh)
But do you really love me, (ohhh ahhh)
Or how i make u feel, (ohhh ahh)
Another Love situation (ohhh ahh)
Has hurt me (ohhh ahh)
I refuse to give up on her loving (ohhh ahh)
Though I've been called a fool (ohhh ahh)Season change (ohhh ahh)
It goes with the game (ohhh ahh)
After I give you heart, how will I know you'll stayI don't wanna be comfortable, or get too relax
Why don't you give me the facts
Well i don't wanna be lost here in a trap
Your like the movies that's a rap!!!Is this love or a situation (ohhh ahh)
I really hope it lasts (ohhh ahh)
Are you here for a moment (ohhh ahh)
Like relationships past (ohhh ahh)
Hey love situation (ohhh ahh)
I hope we never fade (ohhh ahh)
We can go together (ohhh ahh)
Spend the rest of our days (ohhh ahh)Season change (ohhh ahh)
It goes with the game (ohhh ahh)
After I give you heart, how will I know you'll stayI don't wanna be comfortable, or get too relax
Why don't you give me the facts
Well I don't wanna be lost here in a trap
Your like the movies that's a rap!!!I don't wanna be comfortable, or get too relax
Why don't you give me the facts
Well I don't wanna be lost here in a trap
Your like the movies that's a rap!!!
