Lyrics:

X X Sex X X X Sex X X X Sex X X X Sex X

Welcome to my fantasy
Are you ready to be taken on an incredible journey
To a place you were told that was once forbidden
But now are you ready to experience the glory

Ooh my body Feeling my body (ah) [Repeat 4x]

X X Sex X

Welcome to my Private Club
No one's allowed in without an invitation
So here is yours, it's all access
Don't fear, the experience

Ooh my body Feeling my body (ah) [Repeat 4x]

X X Sex X

X X Sex X

(Instrumental break)

Sex

Don't be shy

Yes, I can be a good boy
And I can also be bad
And when I am that bad boy
I can give it to you good, good like you never had

Ooh my body Feeling my body (ah) [Repeat]

X X Sex X

Ooh my body Feeling my body (ah) [Repeat]

X X Sex X

X X Sex X
