One Too Many

New Medicine

Friday night, passed out
In the street, can't believe
What I see, what I hear
Think I've had, too many bears
See a girl, in my bed
She took the halo from my head
Call me scum, I'm a bum
Mommy look what I've become
He did it again
My identical twin
So let the party begin
'Cause I'm not going home
And you can tell all your friends
That I'll be dressed to the tens
And I won't make amends
If you tell me I hadOne too many drinks,
One too many fights,
One too many nights
In a rut, getting drunk,
Ending up with a scar
Kicked out of a bar
Feeling like a shit,
'Cause I hit rock bottom
I've had one too many, hey! Hey!
'Cause I've had one too many, hey! Hey!
One too many. One too manyFist up, in the air
Lose my balance on the stairs
Red the color of the night
Who's that beauty wearing white?
I hear a song about to start
I hear the in my heart
Listen close, I'll sing it true
Fuck you and the things you do
Officer, please
Don't point your finger at me
If I play you a song, will you let me along?
'Cause I missed what you said
I think I'll sleep when I'm dead
'Cause the bomb in my head

Is screaming 3-2-1One too many drinks,
One too many fights,
One too many nights
In a rut, getting drunk,
Ending up with a scar
Kicked out of a bar
Feeling like a shit,
'Cause I hit rock bottom
I've had one too many, hey! Hey!
'Cause I've had one too many, hey! Hey!One too many drinks at the bar
Chillin' like a star
Here's to you, here's to me
Here's to what tonight could beYou're not bringing me down
Won't let you push me around
And I ain't leaving this town
So you'd best throw me out
'Cause if you're fucking with me
I'll give you something to see
Now open both of your eyes
I'm out here walking the lineOne too many drinks,
One too many fights,
One too many nights
In a rut, getting drunk,
Ending up with a scar
Kicked out of a bar
Feeling like a shit,
'Cause I hit rock bottomI've had one too many drinks,
One too many fights,
One too many nights
In a rut, getting drunk,
Ending up with a scar
Kicked out of a bar
Feeling like a shit,
'Cause I hit rock bottom
I've had one too many, hey! Hey!
'Cause I've had one too many, hey! Hey!One too many
