Unfaithful

Rihanna

Story of my life, searching for the right

But it keeps avoiding me

Sorrow in my soul cause it seems that wrong

Really loves my companyHe's more than a man and this is more than love

The reason that the sky is blue

But clouds are rolling in because I'm gone again

And to him I just can't be trueAnd I know that he knows I'm unfaithful

And it kills him inside

To know that I am happy with some other guy

I can see him dyingI don't wanna do this anymore

I don't wanna be the reason why

Every time I walk out the door

I see him die a little more insideI don't wanna hurt him anymore

I don't wanna take away his life

I don't wanna be a murdererI feel it in the air as I'm doing my hair

Preparing for another day

A kiss up on my cheek, he's here reluctantly

As if I'm gonna be out lateI say I won't be long just hanging with the girls

A lie I didn't have to tell

Because we both know where I'm about to go

And we know it very wellCause I know that he knows I'm unfaithful

And it kills him inside

To know that I am happy with some other guy

I can see him dyingI don't wanna do this anymore

I don't wanna be the reason why

Every time I walk out the door

I see him die a little more insideI don't wanna hurt him anymore

I don't wanna take away his life

I don't wanna be a murdererOur love, his trust

I might as well take a gun

And put it to his head

Get it over with

I don't wanna do this

Anymore, anymoreAnd I don't wanna do this anymore

I don't wanna be the reason why

And every time I walk out the door

I see him die a little more insideAnd I don't wanna hurt him anymore

I don't wanna take away his life

I don't wanna be a murderer

A murderer, no no no Yeah
