Closer

Frida Amundsen

It's getting late
I'm wide awake
And my mind is raising again
I can't find the words
They all seem wrong
Like the meaning is lost in translation

[Chorus]
I have always been in love with you,
But,
You are unable to see that
I have felt this way, every night and day
Wishing that you would just come
A little closer
Come a little closer
Come a little closer
Closer to me
Come a little closer
Come a little closer
Come closer, closer to me

You must be blind
Believe me I have tried
But nothing I do gets you to see me
How do you feel
I need to know
'Cause my heart just wants to scream it

[Chorus: x2]
