Completion Makes the Tragedy

Coldseed

Ten times is not enough
You'll suffer 'til the end of time
Imaginations will turn to dust
And break the silenced kindYou reach the spot, you wanna burn
A moment of hypocrisy
You turn cold, you wanna turn
Completion makes the tragedyLike a sinner on the threshold
You pull the strings out of nowhere
You break the silence
You strike the nerveLike a serpent that will never let go
Let go!
What makes the tragedy
Speak out, I gotta know
It turns it's back on you and grows
What creates the pain I feel
Speak out, I gotta know
Times changed and you will never knowCompletion makes the tragedy! A great loss turn the page
You might as well do it again
A great trap it's all the same
You made it to the deep endCompletion makes the tragedy! [x2]What makes the tragedy
Speak out, I gotta know
It turns it's back on you and grows
What creates the pain I feel
Speak out, I gotta know
Times changed and you will never know
Ten times is not enough
You'll suffer 'til the end of time
Imaginations will turn to dust
And break the silenced kindYou reach the spot, you wanna burn
A moment of hypocrisy
You turn cold, you wanna turn
Completion makes the tragedyLike a sinner on the threshold
You pull the strings out of nowhere
You break the silence
You strike the nerveLike a serpent that will never let go
Never let go! Never let go! Completion makes the tragedy! What makes the tragedy
Speak out, I gotta know
It turns it's back on you and grows
What creates the pain I feel

Speak out, I gotta know
Times changed and you will never know
