

# With You In a Heartbeat

## Bad Company

I had your picture  
I had it there on the wall  
It's been a long time  
I didn't notice it fall Just goes to show you, things get strange  
There's nothin', nothin' I can do  
You got your own life, I got mine  
I still got feelings for you And I wonder what you're thinking  
Does it ever seem right  
Don't you know there's something missing?  
We don't have to fight if you call me tonight I'll be with you in a heartbeat  
Just whisper my name  
And I'll be with you in a heartbeat  
No questions, no blame  
And I'll be with you in a heartbeat  
Just whisper my, just whisper my name I got no answers  
Sometimes I just wanna shout  
Which way to turn now  
Can't seem to figure this out I haven't seen you in, oh, so long  
Nothin', nothin' seems to fade  
Tried to forget you but you won't go  
Ooh, the memories we made And I tried so hard to fight it  
But it keeps comin' through  
Ooh, you were all I ever wanted  
I'm waiting for you if you wanted me too I'll be with you in a heartbeat  
Just whisper my name  
And I'll be with you in a heartbeat  
No questions, no blame  
And I'll be with you in a heartbeat  
Just whisper my, just whisper my name And I wonder what you're thinking  
Does it ever seem right  
Don't you know there's something missing?  
We don't have to fight if you call me tonight I'll be with you in a heartbeat  
Just whisper my name  
And I'll be with you in a heartbeat  
No questions, no blame  
And I'll be with you in a heartbeat  
Just whisper my, just whisper my name
