

Early Morning Blues

Muddy Waters

Early in the mornin' before day
That's when my blues come falling down
Early in the mornin' before day
That's when my blues come falling down
Well y'know the woman that I'm loving
She just can't be found*instrumental*
Yes I wished I knew
If my baby was in this town
Yes I wish I knew
If my baby was in this town
Well you know if I don't find her
I believe I'd lose my mind
Yes I wished I knew
Who changed my baby's mind
Yes I wished I knew
Who changed my baby's mind
I give her all of my money
Keep her sitting down all the time
