

Niggas Ain't Shit

Lil Boosie

[Spoken:]

Boosie Bad Azz, nigga.

This for them niggas who think a nigga owe them some,

But ain't give a nigga nun when they was coming up.

I remember, nigga.

Hope you remember.

[Chorus:]

I remember I was down on my knuckles

Nigga ain't wanna give me nothin'

Couldn't even hit a nigga weed

When I was cluckin'

I was down to my last

A 8-ball of crack

Lost it all on the dice

I walked home that night saying,

"Niggas ain't shit but hoes and tricks"

(Niggas ain't shit but hoes and tricks, niggas ain't shit but hoes and tricks)

"You can lick on my nuts and suck my dick"

(You can lick on my nuts and suck my dick, you can lick on my nuts and suck my dick)

[Verse:]

Remember you blowed on me in from them hoes

Short stop my white boys

Same niggas who did me, that nigga see me be like "What up my boy?"

Couldn't get a bone for 80,

I remember how you did me

So I went up town to Ivy and got a zone for 350

Garfield Street, selling weed

I remember a nigga hit me

80 dimes bags of weed

Same lil nigga hit me, now he missin'

Niggas tryna fuck ya bitch

And swear to God he was my homie

Remember Dee Slim brother broke in my car, now he a junkie

Remember my uncle stole my pills, thought I wun gon find out

Love my uncle to this day but now my uncle hand out

Niggas ain't shit but hoes and tricks

And the streets showed me that

I been watching everybody since Lil Junior stole my stack
Went from stupid with a gat
So Big Mel wouldn't have to do five
Five years later he owe me 30 and he don't wanna give me a dime
Remember my auntie stole my crack and gave it to my other cousin
Imma say this from the heart,
Hatch don't owe lil nigga nun, nigga

[Chorus:]

I remember I was down on my knuckles
Nigga ain't wanna give me nothin'
Couldn't even hit a nigga weed
When I was cluckin'
I was down to my last
A 8-ball of crack
Lost it all on the dice
I walked home that night saying
"Niggas ain't shit but hoes and tricks"
(Niggas ain't shit but hoes and tricks, niggas ain't shit but hoes and tricks)
You can lick on my nuts and suck my dick
(You can lick on my nuts and suck my dick, you can lick on my nuts and suck my dick)
