

# He Got Game

## Public Enemy

If man is the father, the son is the center of the earth  
In the middle of the universe  
Then why is this verse comin' six times rehearsed  
Don't freestyle much but I write a lot such word  
Amongst the fiends, controlled by the screens  
What does it all mean all this shit I'm seein  
Human beings scream vocal javelins  
Signs of a local nigga unravelin'  
My wandering, got my ass wondering  
Where Christ is in all this crisis  
Hatin' Satan ever knew what nice is  
Check the papers while I bet on Isis  
More than your eye can see and ears can hear  
Year by year, all the sense disappears  
Nonsense perseveres prayers laced wit fear  
Beware 2 triple O is near  
It might feel good, it might sound a lil' somethin'  
But damn the game if it don't mean nuttin'  
What is game, who got game, where's the game in life?  
Behind the game, behind the game  
I got game, she's got game  
We got game, they got game, he got game  
It might feel good, it might sound a lil' somethin'  
But fuck the game if it ain't sayin nuttin'  
Damn was it somethin' I said  
Pretend you don't see so you turn your head  
Race scared of it's shadow, does it matter?  
Thought of reoperations got 'em playin' wit the population  
Nothing to lose, everything's approved  
People used even murders excused  
White men in suits don't have to jump  
Still a thousand and one ways to lose wit the shoes  
God takes care of ol' folks and fools  
While the Devil takes care of makin' all the rules  
Folks don't even own themselves  
Payin' mental rent to corporate presidents  
One out of one million residents  
Being dissident who ain't kissin' it  
The politics of chains and whips  
Got the sick missin' chips and all the championships  
What's love got to do wit what you got  
Don't let a win get to your head or a loss to your heart  
Nonsense perseveres prayers laced wit fear  
Beware 2 triple O is near  
It might feel good, it might sound a lil' somethin'  
But damn the game if it don't mean nuttin'  
What is game, who got game, where's the game in life?  
Behind the game, behind the game  
I got game, she's got game  
We got game, they got game, he got game  
It might feel good, it might sound a lil' somethin'

But fuck the game if it ain't sayin' nuttin' Yeah, that's right everybody got game  
We just here to let you all know  
That PE is in full effect till the year 2000, Joe  
My man sing it There's something happenin' here  
What it is ain't exactly clear  
There's a man with a gun over there  
Yeah that's right Telling me that I got to beware  
It's time we stopped children  
What's that sound everybody look  
What's going down Hey yo, I don't think they heard ya Steve  
Sing it again kick it to them again  
One more time It's time we stopped children  
What's that sound everybody look  
What's going down That's right boy PE in full effect boy  
Till the year 2000 Joe Stop, look what's that sound  
Everybody knows what's going down  
Stop, look what's that sound  
Everybody knows what's going down These are some serious times that we livin' in G  
And our new world order is about to begin  
You know what I'm sayin', now the question is  
Are you ready for the real revolution  
Which is the evolution of the mind If you seek than you shall find that we all come from the Divine  
You dig what I'm sayin', now if you take heed to the words of wisdom  
That are written on the walls of life then universally we will stand  
And divided we will fall 'cause love conquers all  
You understand what I'm sayin' This is a call to all you sleepin' souls  
Wake up and be in control of your own cycle  
And be on the lookout for those spirits tonight trying to steal your light  
You know what I'm sayin', look what's inside yourself for  
Peace, give thanks, live life and release, you dig me, you got me Everybody knows what's going down  
Stop, look what's that sound  
Everybody knows what's going down
