

# Where My Heart Used to Be

Sandra Humphries

I gave you my heart,  
My body, My soul;  
Even though my head told me  
"You're gonna fall."

Your love was something  
I fear to need,  
There's a hole where my heart used to be.

Deep down in my heart,  
I knew it wouldn't last.  
I knew it would never ?????????? the past.

You were never really mine  
So I'll set you free.  
But there's a hole where my heart used to be.

I fell to pieces  
When you left me  
I had to pick myself up off the ground.

And I rebuilt the walls  
That you once tore down,  
There's a hole where my heart used to be.

You left me broken,  
Drowning in pain.  
It's taken a while to rebuild again.

I've done my best  
But there's a hole in my chest;  
There's a hole where my heart used to be.

I fell to pieces  
When you left me  
I had to pick myself up off the ground.

And I rebuilt the walls  
That you once tore down,

There's a hole where my heart used to be.

There's a hole where my heart used to be.
