U.F.O. Romeo

Backyard Babies

I can't can't can't can't doI can't can't can't can't do
Sometimes i feel like shit
so don't waste my fuckin' time
I don't need no familyjust a big fat check of Royalties
I know what i wanna do
but i just seem to get it through
And i k k k kk kk can't do anything
You live like a wanna-Be in this sick society
And you're sitting next to me
Can't you fuckin' see
I know how i ended up here
I took you piece of shit for real
and i k k k k k k k can't do anything
Cause i'm a U.F.O. Romeo
