

# U.F.O. Romeo

## Backyard Babies

I can't can't can't can't do I can't can't can't can't do  
Sometimes i feel like shit  
so don't waste my fuckin' time  
I don't need no family just a big fat check of Royalties  
I know what i wanna do  
but i just seem to get it through  
And i k k k k k k can't do anything  
You live like a wanna-Be in this sick society  
And you're sitting next to me  
Can't you fuckin' see  
I know how i ended up here  
I took you piece of shit for real  
and i k k k k k k can't do anything  
Cause i'm a U.F.O. Romeo
