St Elmo's Fire (Unplugged)

John Parr

Growin' up, you don't see the writing on the wall
Passin' by, movin' straight ahead, you knew it all
But maybe sometime if you feel the pain
You'll find you're all alone, everything has changedPlay the game, you know you can't quit until it's won
Soldier on, only you can do what must be done
You know in some way you're a lot like me
You're just a prisoner and you're tryin' to break free[Chorus]
I can see a new horizon underneath the blazin' sky
I'll be where the eagle's flying higher and higher
Gonna be your man in motion, all I need is a pair of wheels
Take me where my future's lyin', St. Elmo's FireBurning up, don't know just how far that I can go (just how far I go)
Soon be home, only just a few miles down the road
I can make it, I know I can
You broke the boy in me, but you won't break the man[Chorus]I can climb the highest mountain, cross the wildest sea
I can feel St. Elmo's Fire burnin' in me, burnin' in meJust once in his life a man has his time, and my time is now, I'm coming alive
I can hear the music playin', I can see the banners fly
Feel like you're back again, and hope ridin' high
Gonna be your man in motion, all I need is a pair of wheels
Take me where my future's lyin', St. Elmo's Fire[Chorus]I can climb the highest mountain, cross the wildest sea
I can feel St. Elmo's Fire burnin' in meBurnin', burnin' in me, I can feel it burnin'
Oooh, burnin' inside of me... (to fade)
